2017 American Border Leicester Association
Futurity Contest

As usual, the Border Leicester Futurity Contest was a success for our youth exhibitors. Thank you to all who nominated ewes at the National Sale in May, and those who sold ewes privately off the farm. And thanks to additional donations, the jackpot to be split up totaled $750.00! We had eight youths participating this year, showing and collecting points with twelve animals.

The premiums paid out were: 1st = $70, 2nd = $60, 3rd = $50 and 4th = $40, and the final results are as follows:
