

AMERICAN BORDER LEICESTER ASSOCIATION

We invite you to join us! Any resident of the U.S. or Canada who owns or is interested in Border Leicesters may become a member of the American Border Leicester Association by application and payment of a \$15 U.S. annual membership fee.

Both white and natural colored Border Leicesters are eligible for registry with the ABLA. Colored sheep — as well as all black-factored white animals — are identified in the ABLA Flock Book, and on their certificate, by the letter "B" following the registration number. In addition, breeders of these natural colored/black-factored animals are identified on our membership roster by the letter "B" following their name. This system is of help to those who are raising natural colored sheep as well as to those who prefer to breed all white Border Leicesters.

The American Border Leicester Association is a member of the OPP Concerned Sheep Breeders Society and, in addition, many individual ABLA members also belong to the Society. OPP and other health information is periodically printed in the ABLA quarterly newsletter and sent to all members.

For further information, please contact:

Di Waibel, ABLA Secretary/Treasurer
P.O. Box 947, Canby, OR 97013
